Or dial “0” [OPERATOR]
for assistance.
Tell the OPERATOR
“This is an emergency call”.

Say for example:
“I want to report a fire in [town name],”
or “I want the State Police,” etc.

Then give the OPERATOR the number
of the telephone you are calling from.

New York Relay Service

The New York Relay Service relays calls between a person using a TDD and any other telephone user within the state. The service also works in reverse, allowing a person with a telephone to call a TDD user. Specifically trained personnel are available 24 hours a day, seven days a week to relay calls. Toll free 800 numbers are available to use the service or obtain additional information.

To Place a Call, Dial 711 or:

If you have TDD, dial 1-800-662-1220

If you have a telephone, dial 1-800-421-1220

ASCII Users, dial 1-800-584-2849

Voice Carry-Over Users (VCO), dial 1-877-826-6977

Spanish-to-Spanish only, dial 1-877-662-4886

Speech-to-Speech only, dial 1-877-662-4234

Pay per call only, dial 1-900-230-6565

General Inquiries:

TDD users (hearing and speech impaired only), dial 1-800-835-5515
Non-TDD users, dial 1-800-664-6349

“711” Emergency Calls Using A TDD From Counties That Do Not Have 911 Service

Deaf, hard-of-hearing, or speech-impaired customers calling from counties that DO NOT have 911 service may dial 711 to reach a TDD at the State Police barracks. If in doubt, dialing 711 from most counties will route you to the State Police TDD.

FIRE _____

Chazy & Westport Telephone Corporation was incorporated in the State of New York in 1903. Connecting the communities we serve with progressive telecommunications, while remaining small, flexible and charitable. Those communities include Chazy, West Chazy, and Westport, as well as portions of Altona, Champlain, Elizabethtown, Essex, Lewis, Scotia, and Wadhams.

Westelcom, our wholly owned subsidiary, delivers comprehensive voice and Internet solutions on a fiber based network. Boasting stellar customer service, expert engineering and innovative concepts, we design and deliver some of the most sophisticated services in telecom today. In addition to deploying fiber technologies at Gigabit levels, Westelcom has also widely deployed Metro Ethernet Networks, Disaster Recovery concepts and has constructed a Carrier Neutral Data Center. Westelcom serves the business community from Lake Champlain to Lake Ontario.

HERE ARE A FEW NOTABLE DATES THAT WE ARE PROUD OF:

- 1941:** First dial office in the North Country was installed in Chazy and West Chazy.
- 1952:** Gerald R. Forcier purchased Westport, Essex and Lewis Telephone Co.
- 1958:** Westport installs one of the first digital offices in Essex County.
- 1959:** Westport Telephone Company purchases Chazy Telephone Company, alias the name Chazy & Westport Telephone Corporation came to be.
- 1968:** The Chazy dial offices were replaced.
- 1972:** We were one of the first in the North Country to start offering touch-tone service and direct distance dialing without operator assistance.
- 1981:** The first Digital Central Office in the North Country was installed in Chazy and West Chazy. Westelcom, a full service interconnect, was formed to provide customers in our franchised area and in the surrounding North Country with the communication needs of our growing environment to include phone systems and voice mail systems.
- 1984:** Westport became the first digital office to make Chazy & Westport Telephone Corp. the first Telco with more than one fully digital central office in New York State.
- 1993:** The Chazy and Westport Central Office were updated to accept modern and future technologies such as SS7 and CLASS features like Caller ID. This change positioned the company to assure that we provide our customers with the most up-to-date, state of the art technology.
- 1994:** First digital, high-speed video conferencing system in the North Country was installed in the Chazy and Westport offices.
- 1994:** C&W ran first fiber in Chazy and Westport to meet Verizon and connect to the outside world.
- 1996:** Westelcom offers direct Internet Access to the North Country.
- 1997:** Westelcom purchases Mr. Computer, a retail computer business, and renames it Westelcom Computer.
- 2000:** Chazy & Westport Telephone offers Long Distance Service and High Speed Internet Access, two major innovations implemented to keep the community level with the growing Telecommunications industry.
- 2001:** Westelcom Family of Companies acquires Gisco and NorthNet, two competing Internet Service Providers in the North Country to expand their reach across the North Country. This acquisition makes us the North Country's largest local Internet Provider, with over 30,000 customers. Westelcom's local facilities voice and data launch in Watertown marks a first for the area, a LOCAL carrier for voice services that is able to react and respond to the local community's needs.
- 2002:** Chazy Westport High Speed Internet (DSL) is available to 100% of their territory. This feat is more than uncommon in the industry.
- 2007:** C&W started deploying FTTH (Fiber To The Home) in May of 2007
- 2008:** Westelcom starts deploying Fiber Optic Technology to businesses in Watertown and Plattsburgh.
- 2011:** Westelcom brings Fiber optics to Elizabethtown businesses and lands the deal to construct and deliver fiber internet for the Telemedicine Network.
- 2012:** Westelcom begins Fiber construction to Malone businesses as well as Ticonderoga in conjunction with the Fiber Optic Telemedicine Project. The company also completed the construction of their Non-Specific Carrier Neutral Colocation facility located in Plattsburgh.
- 2013:** Chazy Westport starts deploying Fiber Optic Technology to the homes to Chazy, West Chazy and Westport. Westelcom builds to Clayton, NY.
- 2014:** Westelcom launches Hosted Phone Systems in an effort to offer advanced telecommunications to businesses in the region.
- 2017:** The NYS Broadband Grant to bolster fiber deployment was awarded to CWT. The company built 117 miles of fiber to bring higher internet speed to 530 homes.
- 2020:** Westelcom acquires Teo, a west coast Unified Communications provider.

Statement of Nondiscrimination

Chazy Westport Communications is the recipient of Federal financial assistance from the Rural Utilities Service, an agency of the U.S. Department of Agriculture, and is subject to the provisions of the Title VI of the Civil Rights Act of 1964 as amended, Section 504 of the Rehabilitation Act of 1973 as amended, the Age Discrimination Act of 1975 as amended, and the rules and regulations of the U.S. Department of Agriculture, which provide that no person in the United States regardless of race, color, national origin, age, or handicap shall be excluded from participation in, admission or access to, denied the benefits of, or otherwise be subjected to discrimination under any of this organization's programs or activities.

Any person who believes himself, or any specific class of individuals, to be subjected to discrimination prohibited by the Title VI of the Act and the Rules and Regulations issued there under, may, by himself/herself or a representative, file with the Secretary of Agriculture, Washington, D.C. 20250, or the Rural Electrification Administration, Washington D.C. 20250, or this organization, or all, or a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination or by such later date at which the Secretary of Agriculture or the Rural Utilities Service extends the time for filing. Identity of complaints will be kept confidential except to the extent necessary to carry out the purpose of the Rules and Regulations.

DOING BUSINESS WITH US

Recording Telephone Conversations

Voice recording equipment can be provided to customers and connected to their telecommunications equipment. When the connection is made, the voice recording equipment must be arranged so the user can activate and deactivate it at will.

Under both federal and state law, at least one party to a telephone conversation is required to give their consent prior to the recording of the conversation. Wiretapping or any interception of a telephone call without this consent, other than by a properly authorized law enforcement agent, is a crime. Punishment may include imprisonment and/or a fine.

Telephone Complaints

If you are dissatisfied with our service, please ask to speak to a supervisor or manager. If you feel that they have not helped you, call our Consumer Service Bureau at 518-962-8211. If the telephone company fails to resolve a service or billing complaint within a reasonable period of time, customers may refer their problems to the Consumer Services Division of the New York State Public Service Commission by writing to: One Penn Plaza, New York, NY 10119 or by calling 1-800-342-3377.

Electric, Gas & Private Water Company Complaints

If an electric, gas or private water company fails to resolve a service or billing complaint within a reasonable period of time, customers may refer their problems to the Consumer Services Division of the New York State Public Service Commission by writing to: One Penn Plaza, New York, NY 10119 or by calling 1-800-342-3377.

ATTENTION!

Please check our Facebook page regularly

DO NOT CALL REGISTRY

You must re-register with the Do Not Call Registry every five years and if you change your telephone number for any reason. To sign up for the National Do Not Call Registry, visit www.donotcall.gov or Call the FTC's toll-free number at 1-888-382-1222, for TTY users, 866-290-4236. If you have any questions or concerns about this matter, please call the Chazy Westport Communications.

CALL BEFORE YOU DIG! IT'S THE LAW. 811 OR 1-800-962-7962

If you intend to excavate, you must first arrange to have the buried utilities located at your worksite BEFORE you dig. New York State law, Industrial Code 53, requires it. Your safety and liability demand it.

To help simplify your responsibilities as an excavator, DIG SAFELY NEW YORK is here to help. With one quick phone call to DIG SAFELY NEW YORK, an excavator may contact several utilities with his stakeout request. As a One Call Center, DIG SAFELY NEW YORK will relay your excavation to its member utilities, who will visit your worksite and mark or "clear" their buried utilities. The service and phone call are absolutely free!

Remember these important facts:

- NYS Law requires at least 2 FULL working days notice.
- DIG SAFELY NEW YORK contacts its member utilities only. Code 53 Mandates that excavators consult with the current Central Registry of the town, village or city to determine which other facility owners may be present. Any non-member utilities must be contacted separately.
- To get more information on DIG SAFELY NEW YORK or a free copy of Code 53, call DIG SAFELY NEW YORK at 1-800-962-7962.

TESTING NON-WORKING PHONES

PHONES NOT WORKING? FOLLOWING THESE STEPS COULD SAVE YOU MONEY!

Springtime is notorious for phone outages from lightning storms. We advise you to test your lines prior to contacting our Telephone Office, to be certain a damaged phone isn't causing the problem. It could save you a service charge.

- Step 1:** Unplug every telephone, cordless phone and answering machine and leave them unplugged.
- Step 2:** Take one telephone (not a cordless) and plug it into a phone jack.
- Step 3:** Pick up the phone and check to see if you have a dial tone (if you don't have a dial tone, plug the same phone into a separate jack and continue until you have checked all your jacks). If this doesn't work, and you have another phone, do the same.
- Step 4:** If you get a dial tone, then you have a damaged phone. One bad phone can disable the rest of the phones. By unplugging the bad one, your telephone service will be restored.
- Step 5:** If you do not get a dial tone and would like to test further, test the NID (Network Interface Device) or call our technical support.

Chazy Office: 518-846-7111

Westport Office: 518-962-8211

RIGHTS AND RESPONSIBILITIES

As a Chazy Westport Communications customer, you have rights and responsibilities. These pages in your telephone directory summarize them. After you read this, you should keep it in mind for future reference.

These rights and responsibilities result from New York State Public Service Commission (PSC) Rules Governing Provision of Telephone Service to Residential Customers.

QUESTIONS OR PROBLEMS

Contact us as soon as possible if you have any questions or complaints about your telephone service. We will try to give you a prompt answer. Our representatives are available to help you between 9:00AM and 4:00PM during business days.

To get your question answered fully and as quickly as possible, we suggest you call our Business Office at the telephone number shown on the front of your service bill. If you prefer, you can write to Chazy Westport Communications at the address shown on the front of your service bill. Please include your telephone number. Give us as much information about the problem as you can.

If you are still not satisfied you can call or write to the Public Service Commission (PSC) at One Penn Plaza, New York, NY 10119. They have a staff available to give you assistance if you request it. The telephone number is 1-800-342-3377 (toll free) between 8:30AM and 4:45PM on business days.

While the Public Service Commission is considering your complaint, we will not disconnect your service for failure to pay the amount in question. However, all undisputed bills must be paid when due to ensure continued service.

BILLING

We have a responsibility to provide reliable telephone service to our customers, and you have a responsibility to pay bills for telephone service promptly.

Billing Information: Telephone bills are rendered once a month and are due upon receipt. Payment within ten days is requested. Please return remittance coupon with payment. Local Services Charges are billed for one month in advance. Charges for toll or long distance calls will appear on the same bill covering a period of one month ending about fifteen days prior to the date of the bill. Chazy Westport Communications will not accept post dated/or third party checks. A fee is required for all check returns. A detailed listing of the items and charges that are included in your service appear on your bill each month. Charges for installing or changing services usually appear on the first bill after your order is completed.

Where to Pay: The most convenient way to pay your bill is online. Please visit our website chazywestport.com and click on Bill Pay. You can also pay by calling in, mail or drop off at one of our business offices.

Basic Local Service: Your Basic Local Service is the group of services that are necessary to provide you with dial tone, and all taxes and surcharges that apply to these services. Charges for unpublished numbers and construction are included in this group.

Non-Basic Local Service: This group includes the optional services that you choose to enhance your telephone service, such as Custom Calling Features and Inside Wire Maintenance.

IntraLATA Toll Service: Per minute charges for calls placed to points that are within your (518) area code but out of your local calling area, are separated from all other types of long distance charges. They are detailed on the long distance section of your bill.

Other Services: Our telephone company bills for some other companies that provide long distance service, operator services, recorded information services or group conversation programs.

PAYMENTS

Your payments should reach us by the due date shown on the cover page of your bill. This will give us time to process and credit your payment. If we do not receive your payment by the time your next months bill is prepared, unpaid charges will appear on your next month's bill and they will be added to your next month's charges.

Late Payment Charge: Customer bills for telephone service are due when they are rendered. A customer is in default unless payment is made before the due date specified on the bill. If payment is not received before the due date, a late payment charge equal to one and one-half percent (1 ½ %) per monthly billing period will be applied to all amounts in arrears. Late payment charges will also be applied to the unpaid late payment charges excluding one month's local service.

Payment Plans: If you are having problems that make it difficult to pay your bill on time, we will work with you to come up with a payment plan. We will take into account your financial situation and any income limits you have when working out a down payment and payment schedule. When you arrange for a deferred payment agreement (DPA), you agree to make monthly payments toward past-due bills and to pay any new charges in full each month. Currently, a deferred payment plan is usually for up to \$150 in past-due bills for basic local service. It may be for more in certain special cases. Payment agreements are for a period of no less than 5 months unless you request a shorter period. You may participate in only one payment plan at a time.

Quarterly Payment Plans are available. If you are 62 years of age or older, and your yearly telephone service costs are \$150 or less, you may arrange to pay your bills every three months. Call your service representative to apply.

Partial Payments: If your payment is less than the total amount due, the telephone company will apply your payment to basic local service before we credit the other groups of service. In this way, you will not experience an interruption in your basic service. Your ability to use the other services, such as access to your long distance carrier, will be blocked until you have paid the full amounts owed for these services. (This policy does not apply to business customers.)

DEPOSIT POLICY

New Customers: If you are a new customer who has not established a payment record with our company, it may be necessary to ask you to pay a security deposit.

Customers 62 Years of Age or Older: If you are 62 years of age or older, we will not ask you for a deposit unless your service was suspended and/or terminated for nonpayment within the past six months.

Customers Who Are Delinquent: If you are delinquent in your bill payments, you may be required to pay a deposit or an additional deposit. Delinquent in payment means that a customer has received two bills without making payment of one-half of the total of the two bills.

Customers Whose Service Is Suspended and/or Terminated: If your service has been suspended and/or terminated for nonpayment of bills in the last six months you may be required to pay a deposit.

RIGHTS AND RESPONSIBILITIES

SOME FACTS ABOUT DEPOSITS

Amount of a Deposit: If you do require a deposit, the amount is based on two times the average monthly bill.

Payment of Deposits: If you are unable to pay the required deposit amount and request an agreement, you can pay the deposit in installments over a period not to exceed 12 months.

Deposit Interest and Refunds: We pay interest on your deposit at a rate specified by the Public Service Commission. We hold a deposit for one year. If you have not been delinquent (as previously described) in the past 12 months, the deposit and interest earned will be applied to your bill, or refunded to you if you request. Otherwise we will credit your account with the earned interest, but hold your deposit. The account will be reviewed again once a year to see if it qualifies for a refund.

FINAL TERMINATION NOTICE

If you fail to pay overdue bills or a deposit, we can terminate your service. However, before this is done we would forward a Termination Notice so that you would have an opportunity to arrange payment and avoid interruption of your service. If you are eligible under the Rules of the Public Service Commission, we will offer you a deferred payment agreement before we terminate your service. If you need assistance in understanding the deferred payment agreement you may obtain the assistance of the Public Service Commission. If you sign a deferred payment agreement, we will not disconnect your service as long as you make the agreed upon payments.

If there is no question about the bill and you fail to pay the amount shown on your termination notice or refuse to sign a deferred payment agreement, your service will be terminated. Service will not be terminated if you qualify for the special protection described in the section on Special Protections in this book.

If payment is not received before the due date, a late payment charge equal to 1½% per monthly billing period will be applied to all amounts in arrears. Late payment charges will also be applied to the unpaid late payment charges excluding one month's local service.

If you fail to pay this debt in a timely manner, we will submit your account to our collections department and you may be responsible for all costs of collection; we will pursue any and all legal remedies we may have against you, and you may also be responsible for all reasonable attorney's fees expended to collect on your account. Your credit report may also be in jeopardy.

WHEN SERVICE CAN BE TERMINATED

We are allowed to terminate residential telephone service for nonpayment only between 8:00AM and 7:30PM, Mondays through Thursdays and between 8:00AM and 3:00PM on Fridays. We cannot terminate service on a public holiday, the day before a holiday, any day our business office is closed, or on December 23, 26, 30 and January 2.

RECONNECTION OF SERVICE

If we terminate your service, we will reconnect it within 24 hours after you have paid the amount due or sign a deferred payment agreement and make the down payment required.

If service is terminated there is a charge to reconnect the service.

SPECIAL PROTECTIONS

Medical Emergency: If you or a member of your household is ill or has a serious medical condition, we can help you if you can't pay your telephone bill. Send us a medical certificate from your doctor or the local Board of Health describing your medical emergency and we will continue your service for 30 days. The certificate can be renewed, but to do this your doctor or official of the local Board of Health must explain the medical emergency and why service is needed. You must also explain why you are unable to pay your telephone bill by filling out a form telling us about your income and expenses. We will not turn your service off during the medical emergency, but you still must pay part of your bill. You may delay payment of up to \$30 for each bill you receive during the medical emergency. You must pay all charges over \$30. Once the medical emergency ends, we will offer you a payment plan.

Elderly, Blind or Disabled: If you advise us that you are blind, disabled or 62 years of age or older, and all other occupants of your household are under 18 years of age, 62 years of age or older, blind or disabled, and additional 20 days will be allowed before your service is terminated. If you qualify under this protection you should notify us to complete a form for us to keep on file. We can also work with you to set up a payment plan if necessary.

Third Party Notification: All residential customers may choose a third party to receive copies of all credit notices. A third party notice may keep your service from being turned off by mistake. You may choose a relative, a friend, a member of the clergy or a community agency to be a "third party" for you if they agree to act on your behalf. A third party will receive copies of any credit notices we sent to you because of overdue bills. The third party is NOT responsible for paying your bills. Notify us if you want to complete a third party form.

APPLICATION FOR SPECIAL RIGHTS PROGRAM

If you believe you may be entitled to certain protections as described, please contact the Business Office for the forms you may need. Please fill in the blanks and check the appropriate box(es). Then sign and date the form and return it to us.

SPECIAL SERVICES AND CONSUMER PROTECTIONS

ACCESS TO TELEPHONE REGULATIONS (TARIFFS)

You're entitled to see all tariffs filed by Chazy Westport Communications. They are also available at the New York State Public Service Commission Offices. Telephone numbers for our Business Office and the Public Service Commission are listed in the informational pages of the telephone directory.

BILLING DISPUTE

Your telephone service will not be disconnected for failure to pay charges in question (disputed amount). However, all undisputed amounts must be paid when due to ensure continued service. If you are sending in a disputed amount provide as much information as you can. Please include your telephone number with all correspondence and mail to the address that is on the inside front cover.

ADVERTISING TELEPHONE NUMBERS

Advertising in any form, a residence telephone for business purposes or the regular use of a residence telephone for conducting of a business is not permitted. If your telephone service is used for business it must be classified as a business. Establishing a business classification provides the business customer with added benefits.

MONEY SAVING HINTS

You are subject to service charges if your customer provided equipment is putting your line out of order. Check your phone in a working jack in your home or at the Network Interface Device located on the outside of your home. If you are unsure of what to do you may stop by our office and someone will show you what you should do. You may also use the Chazy Westport Communications test jacks located at our business office.

You are responsible for all calls made from your home. Be careful about letting others use your phone unless you're sure they won't abuse the privilege. If you have concerns and would like suggestions as how to safe guard your service, contact our business office and a representative will be glad to assist you.

SPECIAL ASSISTANCE SERVICES VISUAL OR PHYSICAL IMPAIRMENT

If you:

- Are legally blind with visual acuity of 20/200 or less in your better eye with correcting lenses, or
- Have a visual impairment which prevents you from reading normal printed material, such as a telephone directory, or
- Have a physical disability (such as loss of hands, loss of use or control of hands, constant severe tremor, spasticity or paralysis, uncorrectable double vision, incapacitating confinement as in

an iron lung, or severely debilitating conditions such as found in advanced Parkinson's Disease, cancer and the aftermath of stroke)

You may receive:

- Free directory assistance as allowed by your long distance company and/or
- Free operator assistance for placing calls (excluding special calls such as person-to-person, collect, and requests for time)
- Reduced purchase prices and rental rates for telephone equipment suited for special needs
- Third party notification
- Expedient services
- Enlarged print bills
- When calling from home or when using a calling card while away from home, call the telephone company or your long distance company for information.

After you submit a notice of certification from:

- Licensed physician
- Ophthalmologist or optometrist
- NY State Office of Vocational Rehabilitation
- NY State Commission for the Blind & Visually Handicapped

SPEECH AND HEARING IMPAIRMENT

If you:

- Have a speech impairment of 65% or higher, as per American Academy of Otolaryngology guidelines
- Have a hearing impairment of 60% or higher, as per American Medical Association guidelines

SPECIAL SERVICES AND CONSUMER PROTECTIONS

You may receive:

- A discount on toll calls, as allowed by your long distance company
- The special services of The New York State Relay Service
- A 50% discount on monthly mileage charges for leased channels and private line circuits for the use of special non-voice telephone equipment
- Reduced purchase prices and rental rates for telephone equipment suited for your special need
- Third-party notification
- Expedient services
- Enlarged print bills
- When calling from home or when using a calling card away from home, call the telephone company or your long distance company for information

After you submit a notice or certification from:

- Licensed physician
- Otolaryngologist, speech-language pathologist or audiologist
- NY State Dept. of Social Services

SEVERE MEDICAL CONDITION

If you:

- Have a medical condition which requires you to be monitored by an emergency reporting system, such as the Medical Lifeline program

You may receive:

- A waiver of locality charges attached to the local service rate
- Third-party notification
- Expedient services
- Enlarged print bills
- Extended grace period before suspension or termination of service

After you submit a notice of certification from:

- The monitoring system's operating company

SENIOR CITIZENS

If you are aged 62 years or older you may receive:

- A special plan for paying your telephone bill quarterly (provided the total annual charge is less than \$150)
- Third-party notification
- Expedient services
- Extended grace period before suspension or termination of service

After you submit a notice or certification from:

- The telephone company

INSUFFICIENT FINANCIAL RESOURCES (LIFELINE & LINK UP AMERICA)

If you:

- Are a recipient of one of the following programs administered by NYS Dept. of Social Services:
 - Aid to Families with Dependent Children/family Assistance
 - Food Stamps
 - Home Energy Assistance Program(HEAP)
 - Medicaid
 - Supplemental Security Income
 - Home Relief/Safetynet
- Veterans Disabilities Pension or Surviving Spouse Pension

You may receive:

- 100% reduction in the Federal Subscriber Line Charge and a reduction of \$1.75 in the monthly local service rate
- A waiver of locality charges associated with the local service rate
- 50% reduction of charges associated with connection of telephone service (maximum reduction of \$30.00)
- Extended grace period before suspension or termination of service

After you submit a notice of certification from:

- NYS Department of Social Services

“900” NUMBER SERVICES

GET THE FACTS FIRST

It's a long-distance telephone number that can connect you to a world of information. (“900” takes the place of an area code.)

CALLING A 900 NUMBER IS NOT FREE

A charge will show up on your phone bill. It may be much higher than the cost of other long-distance calls.

NOTE: There is also a charge for calls to 700, 976, 540, (and to some 800 numbers after a minimum of free time is used). 700 numbers are designed for conference calls – business consultations, some teen “talk lines,” etc.

ASK AROUND

Have friends heard of the service? Does it have a good reputation?

KNOW THE COST

Study ads and commercials for 900 numbers carefully. Listen closely to any price information given at the start of a 900 number message.

Be sure you understand:

- How the fee is set-by the minute or per call?
- How long the message lasts, if you're charged by the minute.

KNOW EXACTLY WHAT YOU'LL GET IN RETURN

Think twice before calling about:

- “Free gifts” - the cost of the call may be more than they're worth.
- Contests that you've “won” - but never entered.
- “Easy” credit – a promised loan or charge card may never arrive.
- Employment listings—they may just be obtained from your local paper.

CONSIDER “CALL BLOCKING”

If 900 calls create a problem in your family, consider call blocking. Call blocking prevents 900 calls from being direct-dialed from your home* and is provided by Chazy Westport Communications.

**NOTE: your local telephone company cannot block 900 calls charged to a calling card.*

KEEP TRACK OF 900 CALLS

Consider Keeping a Log Book:

- Especially if more than one person makes 900 calls. Use it to record:
 - Who made the call, and when
 - The 900 number called
 - The name and address of the service provider
 - How much the call cost per minute (or the flat rate)
 - Any products or services to be received in return for the call.

CHECK YOUR PHONE BILL

Compare the 900 charges with the information in your logbook.

IF YOU SUSPECT AN ERROR

Or have another problem with the 900 service, contact your local telephone company. The telephone company usually will not disrupt basic telephone service for disputed 900 charges. Depending on your situation, the representative may resolve the problem for you or refer you to the responsible Long Distance Company.

Many 900 Numbers Provide Useful Services

Or entertainment for a fee. (The business that provides the service sets the fee, not your local telephone company.) Some of these services require the use of a touch-tone telephone.

QUESTIONS OR CONCERNS?

Contact Chazy Westport Communications, they will be glad to assist you. 518-846-7111(Chazy) or 518-962-8211(Westport) or 888-298-5240 (Toll Free).

If you believe that you are the victim of a “900” number scam, you may contact the Federal Trade Commission at 6th and Pennsylvania Ave, Washington D.C. 20580.

TYPES OF CALLS

DIRECT DISTANCE DIALED

These are calls where the caller dials the number directly and no operator assistance is required. Toll rates are lowest for Direct Distance Dialed calls.

PERSON-TO-PERSON CALLS

Call person-to-person when you wish to talk to a particular person or extension number. Tell the "OPERATOR" you wish to make a "person-to-person" call. Rates are higher than station-to-station and also apply when you talk to an alternate person or extension. Charging starts when conversation begins.

OPERATOR-ASSISTED

Station-to-station calls requiring operator assistance are charged at a higher rate than those that are completed without an operator's help. Higher rates are necessary to compensate for the cost of providing these specialized services. Included are calls such as coin phone, collect, code billing, time and charge (including hotel guest calls), sequence calls and calls placed by the Operator at customer request.

COLLECT CALLS

You can call collect; either station-to-station or person-to-person, if the person or business you are calling agrees to pay the charge. Charging starts when conversation begins. Collect Calls can only be made with operator assistance.

TIME AND CHARGES

Customers, when placing calls, may request from the "Operator" the amount of time and the charge for the call. This service requires "OPERATOR" assistance. The call may be either station-to-station or person-to-person.

LONG DISTANCE RATES

Rates for all types of calls are based on distance, the time that you make the call, the length of your conversation and your service providers calling plan. There is an additional charge if you make an Operator Assisted, Calling Card, or Public (coin) phone call.

The initial period for all calls is one minute. Charges are based on the rates in effect at the calling point. If you start a call during one rate period, and continue through to another rate period, you will be billed the rate that applies for each period.

BILL TO THIRD NUMBER

This feature is blocked for 493, 846 & 962 customers unless specifically requested by customers.

IF YOU NEED HELP PLACING A CALL

Or have trouble dialing; please dial "0" [Operator]. The Operator will be glad to help you.

LONG DISTANCE PROVIDERS

You may contact Chazy Westport Communications' Business Office and ask for a list of Long Distance Service Providers.

ADDITIONAL ASSISTANCE

Dial "0" (Operator) if you need assistance

1. To call countries that cannot be dialed directly.
2. To get telephone numbers.
3. To get City Codes that are not listed.

IF YOU REACH A WRONG NUMBER

On a long distance call, we don't want you to pay for it. So here's what to do: Ask the party who answers to give you their phone number and Area Code. After you get this information, dial "0" and give it and your number to the Operator, who will make sure you are credited for the call. If you cannot get this information, dial "0" and tell the Operator your number and the number you were trying to reach.

INFORMATION & LISTINGS

Dial 411. Charges will apply.

INTERNATIONAL DIALING

If your phone number begins with 493, 846 and 962 you can direct-dial international calls. Holiday rates do not apply to international calls.

DIALING DIRECT

To place an international call dial:

- The digits "011"
- The Country Code
- The City Code

For example: To place a dialed direct call to London, England, here's what you would dial:

Country Code	City Code
011 + 44 + 1 + Local Number	

After dialing any international call, allow at least 45 seconds for the ringing to start.

OPERATOR-ASSISTED INTERNATIONAL CALLS

To dial calls that are person-to-person, collect, Calling Card or billed to a third number private and 2-party customers, dial '01 plus the country code, etc. If you cannot dial Operator-assisted calls from your telephone, dial '0' and the operator will handle your call.

For Example: To place an Operated-Assisted call to London, England, here's what you would dial:

Country Code	City Code
01 + 44 + 1 + Local Number	

After dialing any international call, allow at least 45 seconds for the ringing to start.

Calls to Canada, Puerto Rico, the U.S. Virgin Islands and most dial-able points in the Caribbean/Atlantic Region. These calls can be dialed the same way as you dial other long distance calls within the Continental United States.

SLAMMING/CRAMMING/SPOOFING/SPAMMING

“Slamming” occurs when your long distance and/or your regional calling service is changed without your knowledge and approval. Federal and state laws prohibit “slamming”. You must contact the FCC or PSC within 30 days if you feel that you’ve been slammed.

If you are a victim of “slamming”, first call the long distance or regional calling provider associated with the charge. The company’s name and logo appear on your bill. You are entitled to be switched back to the company of your choice at no charge and to have any disputed charges billed at your original company’s rate. You should write a detailed letter to the Federal Communications Commission (FCC) for help in resolving the dispute.

**Federal Communications Commission
Common Carrier Bureau
Enforcement Division
Washington, D.C. 20554**

Enclose with your letter a copy of the disputed bill, relevant phone numbers and any other communication you’ve had with the billing company. Or call toll free **1-888-225-5322**

Protection against “Slamming”

As a protection against slamming you may call our business office and request that no changes be made to your long distance or regional service providers. This is known as a “PIC Freeze”.

“Cramming” is the term used when unexpected and unauthorized charges are unknowingly “crammed” onto your telephone bill. Usually these charges are for phone related services, but charges may also be for added on telephone services or surcharges. These charges generally appear on a separate page of your bill with the billing company’s name.

If you suspect a charge has been “crammed” on your bill, contact our business office to have the erroneous charge removed.

CALL SPOOFING

Call “spoofing” occurs when a fraudulent caller deliberately falsifies the information transmitted to your caller ID display in an attempt to trick you into giving away your valuable personal identifiable information. The FCC and U.S. law prohibit most types of spoofing, but with the widespread use of caller id and Voice over IP (VOIP) technology it is becoming easier and more commonplace for call spoofing and robocallers to disguise their identity. The common practice is to manipulate the caller ID displayed in hopes you will be fooled into thinking you are dealing with a legitimate representative of your bank, credit card or insurance company, or even a government agency. Is the caller claiming to be a representative from one of the aforementioned agencies? Are they pressuring you for personal information almost immediately? If so, hang up and call the phone number on your account statement, from the phone book, or the company’s or government agency’s website, to verify the authenticity of the request. Be aware that during the normal course of business none of the above entities will request personal identifiable information over the phone. It is imperative to be very careful about responding to any request for personal identifying information over the phone where you have not initiated the action. Never give out personal identifiable information such as account numbers, social security numbers, mother’s maiden names, passwords or other personal identifying information in response to an unexpected call or if you are at all suspicious.

ELECTRONIC SPAMMING

Electronic spamming is the use of electronic messaging systems like e-mails and other digital delivery systems to send unwanted bulk messages indiscriminately. The term spamming can also be applied to other media like instant messaging, mobile text messaging, and social networking spam. The most recognized form of spam is e-mail spam, but recently it has begun to encompass mobile phone messaging also. Please be aware that e-mail scammers may send you an e-mail that appears to come from CWT/Westelcom. The e-mail may provide you with a hyperlink that redirects you to a fraudulent site and asks you to provide your confidential personal account or security information. While CWT/Westelcom may send you e-mail communications from time to time, we will never request you to send your account number, password or other personal identifiable information via e-mail. If you need to verify if an e-mail is from us please contact our offices (do we want a phone number). CWT/Westelcom is vigilant in protecting our customer’s personal identifiable information and will educate and inform you on the latest trends via our Facebook page. Never give out personal identifiable information such as account numbers, Social Security numbers, mother’s maiden names, passwords or other identifying information in response to a suspicious e-mail or message.

CHAZY AND WEST CHAZY CUSTOMERS:

Local service includes all of the Chazy (215, 846) exchange and the West Chazy (493, 778) exchange. Free calling to and from Plattsburgh (200, 247, 314, 324, 335, 420, 534, 536, 561, 562, 563, 564, 565, 566, 569, 570, 571, 572, 574, 578, 593, 645, 699, 726, 802, 825, 907, 957 and 967) are included for your benefit.

WESTPORT CUSTOMERS:

Local service includes all of the Westport (962) exchange. Free calling to and from Elizabethtown (217, 412 and 873) is included for your benefit.

LONG DISTANCE

Direct Dialing:

Within the (518) area code, dial the ten digit telephone number. Outside the (518) area code, dial 1 + area code + seven digits.

Operator Assistance:

Within the (518) area code, dial 0 + 518 + seven digits. Outside the (518) area code, dial 0 + area code + seven digits.

Assistance Calls:

You will be charged for completed directory assistance calls.

For numbers not in the directory but in the (518) area code, dial 411.

For numbers outside the (518) area code, dial 411.

For assistance in making a call, dial "0" (Operator).

FREE DRIVE-IN WIFI The Hot-Spots

- Elizabethtown- The Social Center
- Westport- Downtown (Jams-The Library Lawn)
